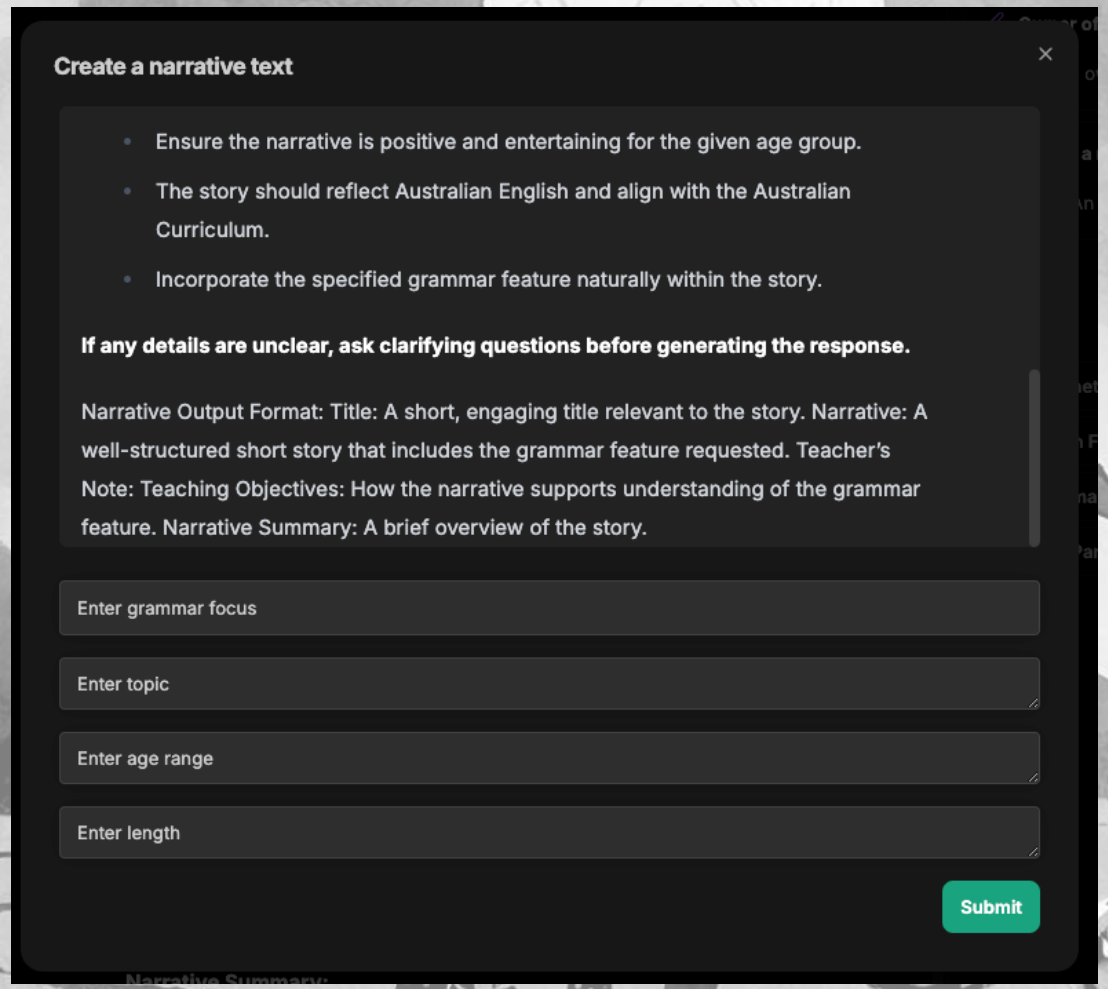
Reusable narrative prompt



Title: Chip the Cheeky Chicken

Narrative:

Seth built a small hut in Minecraft. He put in a chest, a bench, and a torch. "This will keep me safe," he thought. Just then, his pet chicken, Chip, **shuffled** in. "Shoo, Chip!" Seth said. But Chip **pecked** the chest and sat on it.

Seth went outside to chop wood. **Thunk! Thunk!** His axe hit the thick tree. He was almost done when he heard a **hiss**. "Oh no! A creeper!" Seth **rushed** back to his hut. But Chip was still **sitting** on the chest, blocking it shut! "Chip, move!" Seth **shouted**.

BOOM! The creeper **crashed** into the hut. When the dust **cleared**, the chest was gone, the hut was gone... but Chip was still there. "That was close," Seth sighed. Chip just **flapped** his wings and ran off. "I think I need a new house," Seth muttered.
